The following points emerged, which have been recommended for compliance in future for consideration of the proposal for release and notification of Horticultural crop & variety by the committee:

1. Sponsoring Institute/organization should ensure that the proposals are submitted in proper format and must have the required documents viz., acknowledgement certificate regarding submission of seed sample with NBPGR, detailed morphological characters of varieties, AICRP data on disease and pests reaction, source of material and pedigree, package of practices of the cultivar, DNA fingerprinting profile, A-4 size coloured photographs on glossy sheet etc.
2. The committee will not consider any proposal for release or notification in case the copy of proposal is not submitted to respective Director/Project Coordinator.
3. The proposals will be submitted through email (cvrc-hort@gov.in). Five signed original hard copies will be submitted to Deputy Commissioner (Quality Control), DAC&FW, Shastri Bhawan, New Delhi for records.
4. Each sponsoring institution/breeder will make of the proposal.
5. ICAR Institutes, SAUs and other organizations should devise a naming system of the different crop varieties with the name of Institute followed by crop name and then

serial number of variety. Proposals with names of family members, gods and goddesses will not be accepted.

6. Any proposal with more than five years old data will not be considered by the committee.

The meeting ended with a vote of thanks to the Chair.
