

Minutes of the 67th Meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops held under the chairmanship of Prof. S. K. Datta, Deputy Director General (Crop Science), ICAR on 13th November, 2013 at Committee Hall, ICAR, Krishi Bhavan, New Delhi.

The list of participants is at Annexure-I.

The Chairman, Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops welcomed the members of the Sub-Committee and special invitees for the meeting. He commended that the Secretariat of the Sub-Committee had timely issued the minutes of 66th Meeting of the Sub-Committee. Joint Secretary (Seeds) mentioned that, the Sub-Committee may consider only superior varieties with higher yield parameters including resistant to pests and diseases. He further stated that, seed production of susceptible varieties should not be taken up in the areas which are endemic for attack of pests and diseases. He specifically cited the example of two Wheat varieties namely HD 2932 and HD 2977 which are susceptible to rust disease and are being sold in Punjab State which is not recommended for cultivation of these varieties. He therefore suggested that seed production and cultivation of these two varieties should be stopped in the North West Plain Zone including Haryana, Punjab, Western Uttar Pradesh, Jammu etc. which are not recommended for cultivation of these varieties. Joint Secretary (Seeds) also mentioned that Department of Agriculture and Cooperation has advised the Public Sector Seed Corporations to disclose the expected performance along with package of practices from Rabi 2013-14. Therefore, all breeders/sponsoring institutions are advised to provide variety wise package of practice along with the Release/Notification proposal to be submitted to the Sub-Committee. Without package of practices for cultivation of variety, the proposal for Release/Notification should not be considered. The Deputy Commissioner(QC) and Member Secretary of the Sub-Committee mentioned that the specific action had been taken on deferred proposals of previous meetings in consultation with the concerned Breeder / PC / PD and after removing various deficiencies the same have been included in the Agenda Note for this meeting. Thereafter, the Member-Secretary of the Sub-Committee presented the Agenda items for consideration by the Sub-Committee.

Item No.1: Confirmation of the Minutes of 66th meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops held on 29th & 30th July, 2013 at Directorate of Maize Research, Pusa, New Delhi.

The minutes of 66th meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops were confirmed. The Sub-Committee noted that the Gazette Notification S.O. No. 2817(E) dated 19th September, 2013 was issued for the cultivars recommended in the 66th Meeting of the Sub-Committee for release/notification.

Item No.2: Review of follow up action of the various meetings of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops.

The Sub-Committee approved the notification of the varieties mentioned below in Table No. 1 which were considered in the 58th, 60th, 61st, 62nd, 63rd, 64th, 65th and 66th meetings of the Sub-Committee but kept in abeyance for want of information like submission of seed sample with NBPGR, detailed morphological characters, All India Coordinated Trial data on disease & pest, Source and genesis of the parentages etc. The required information has now been received. Therefore, the Committee recommended the following varieties for notification.

Item No. 5: Dispute of parentage between Maize c.v. Kaveri 50 (KMH 50) of Kaveri Seeds and 30V92 of Pioneer Seeds.

This matter was earlier referred to PPV & FR Authority for indicating distinctiveness in the above two varieties in DUS test and registration under PPV & FR Act, 2001. Now, the PPV and FR Authority has informed that registration of KMH 50 cannot be done as the same has been stayed by the Hon'ble Delhi High Court in W.P.(C) No.6819/2011. Sub-Committee again deferred the proposal for want of clear and unambiguous comments regarding registration of these varieties by PPV&FR Authority.

Item No. 6: Review of proforma for submission of proposals for release/notification to the Central Sub-Committee on Crop Standards, Notification and Release of Varieties.

ADG (Seeds), ICAR has sent the revised proforma duly approved by DDG (CS), ICAR for submission of proposals for release / notification to the Central Sub-Committee on Crop Standards, Notification and Release of Varieties. The proforma reviewed in the 67th meeting of the Central Sub-Committee on Crop Standards, Notification and Release of Varieties and following changes were suggested for inclusion in the proforma:

- (i) Package of practice should include range in yield of the variety.
- (ii) Table should also include CD & CV value.
- (iii) The guidelines for suggesting uniform system for denomination of Central and State varieties.
- (iv) The check list and procedure for submitting proposal to the Member Secretary of Sub-Committee through hard copy and soft copy.
- (v) The proforma for submitting the proposal for State varieties for notification should also be revised in line with proforma for release/ notification of central varieties.

The meeting ended with a vote of thanks to the Chairman, members and special invitee of the committee.
