

Minutes of the 28th meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 28th October, 2020 under the Chairmanship of Dr. A.K. Singh, Deputy Director General (Horticulture), ICAR, in Krishi Bhawan, New Delhi.

The list of participants is enclosed as Annexure-1.

At the outset, Dr. Dilip Kumar Srivastava, Member Secretary welcomed Dr. A.K. Singh, Deputy Director General (Horticulture) and Chairman of the Sub-Committee and all the participants of meeting. The Chairman also welcomed the participants and expressed his happiness for their participation and informed that this is an important statutory Committee constituted under the Seeds Act, 1966, which recommends the newly developed varieties tested and identified under ICAR System for release and notification so that the seed of these varieties could be made available through seed certification system. He emphasized that all the Sponsoring Authorities of the SAUs, ICAR Institutes as well as other agricultural research organisations involved in the breeding of new varieties should submit the proposals for release/notification of varieties to the Sub-Committee for consideration immediately after identification in the ICAR workshop.

Dr. Dilip Kr. Srivastava, Dy. Comm. (QC), Member Secretary informed that the Committee has been mandated with statutory responsibility of release and notification at all India level for central varieties and also for notification of the state varieties. After general discussion the regular agenda was taken up for consideration of the Committee.

Item No.1: Confirmation of the minutes of the 27th Meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 2nd September, 2019.

The minutes of the 27th Meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 2nd September, 2019 under the Chairmanship of Dr. A.K. Singh, Deputy Director General (Horticulture), ICAR were circulated to all concerned on 10th October 2019. No comments have been received so far, the minutes have been confirmed by the Sub-Committee. The Sub-Committee noted that the Gazette Notification S.O. No.4272 (E) dated 26th November, 2019 was issued for the varieties recommended for Notification in the 27th meeting of the Sub-Committee of Horticultural Crops.

Item No.2: Review of the follow up action of the previous meetings.

The Sub-Committee approved the varieties mentioned below in Table 1 which were considered in previous meetings of the Sub-Committee but kept in abeyance for want of certain

[Handwritten signature]

information e.g. submission of NBPGR accession No., detailed morphological characters, All India Coordinated trials data on disease & pests resistance, source and genesis of their parentages, package of practices of the cultivars, glossy photographs etc.

The required information has now been received from the concerned Organisations/Institutes for the following varieties; therefore, the Committee recommended them for notification as detailed below in Table-1:

Table-1: Varieties recommended by the Sub-Committee.

S. No.	Crop	Variety	Recommended Area	Sponsoring Authority
1.	Acid Lime	Ganganagar Acid Lime- 1	Rajasthan	ARS, SK Rajasthan Agricultural University, Sriganganagar.
2.	Winged Bean	Indira Winged bean-2 (RMD WB-1)	Chhattisgarh, Pradesh Jharkhand	Uttar and Indira Gandhi Agricultural University, Raipur.
3.	Spine Gourd	Indira Kankoda-2 (RMD SG-3)	Chhattisgarh, Pradesh Maharashtra.	Uttar and IGKV, Raipur
4.	Garlic	AAS-2 (Vannur Local)	Karnataka	Kittur Rani Channamma College of Horticulture, Arabhavi, Distt. Belgaum. (UHS, Bagalkot)
5.	Dolichos (Indian Bean/ Sem)	Chhattisgarh Sem-1	Chhattisgarh	IGKV, Raipur (CG)
6.	Banana	Phule Pride	Western Maharashtra.	Banana Research Station, Jalgaon, MPKV, Rahuri.
7.	Arecanut	Shatamangala (VTL- 146)	Karnataka, North Bengal and Gujarat.	ICAR-Central Plantation Crops Research Institute, Kasaragod, Kerala.
8.	Coconut	Kamrupa (Assam Green Tall)	Assam	Horticultural Research Station, Assam Agricultural University, Kahiluchi, Guwahati- 781017, Assam.

The following points emerged, which have been recommended for compliance in future for consideration of the proposal for release and notification of Horticultural crop & variety by the committee:

1. Sponsoring Institute/organization should ensure that the proposals are submitted in proper format and must have the required documents viz., acknowledgement certificate regarding submission of seed sample with NBPGR, detailed morphological characters of varieties, AICRP data on disease and pests reaction, source of material and pedigree, package of practices of the cultivar, DNA fingerprinting profile, A-4 size coloured photographs on glossy sheet etc.
2. The committee will not consider any proposal for release or notification in case the copy of proposal is not submitted to respective Director/Project Coordinator.
3. The proposals will be submitted through email (cvrc.hort-agri@gov.in). Five signed original hard copies will be submitted to Deputy Commissioner (Quality Control), DAC&FW, Shastri Bhawan, New Delhi for records.
4. Each sponsoring institution/breeder will make of the proposal.
5. ICAR Institutes, SAUs and other organizations should devise a naming system of the different crop varieties with the name of Institute followed by crop name and then serial number of variety. Proposals with names of family members, gods and goddesses will not be accepted.
6. Any proposal with more than five years old data will not be considered by the committee.

The meeting ended with a vote of thanks to the Chair.

Annexure-1
