Minutes of the 30th meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 4th May, 2023 under the Chairmanship of Dr. A.K. Singh, Deputy Director General (Horticulture), ICAR, in Krishi Bhawan, New Delhi.

The list of participants is enclosed as Annexure-1.

At the outset, Dr. Dilip Kr. Srivastava, Member Secretary welcomed Dr. A.K. Singh, Deputy Director General (Horticulture) and Chairman of **Central Sub-Committee on Crop Standards, Notification for Horticulture Crops** and all the participants of meeting. The Chairman also welcomed the participants and emphasized the importance of the varieties of horticultural crops to put them in seed production chain. These varieties could be made available for seed certification system after notification.

Dr. Dilip Kr. Srivastava, Dy. Comm. (QC), Member Secretary informed that the Committee has been mandated with statutory responsibility of release and notification of Varieties for all India level also for notification of the state varieties. After general discussion the regular agenda was taken up for consideration of the Committee.

Item No.1: Confirmation of the minutes of the 29th Meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 23rd March, 2022.

The minutes of the 29th Meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops held on 23rd March, 2022 under the Chairmanship of Dr. A.K. Singh, Deputy Director General (Horticulture), ICAR were circulated to all concerned on 1st June, 2022. The Gazette Notification S.O. No.3254 (E) dated 20th July, 2022 was issued for the varieties recommended for Notification in the 29th meeting of the Sub-Committee of Horticultural Crops.

Item No.2: Review of the follow up action of the previous meetings.

The Sub-Committee approved the varieties mentioned below in Table 1 which were considered in previous meetings of the Sub-Committee but deferred for want of certain information e.g. submission of NBPGR accession No., detailed morphological characters, All India Coordinated trials data on disease & pests resistance, source and genesis of their parentages, package of practices of the cultivars, glossy photographs and for presentation before the committee.

The required information has now been received from the concerned Organisations/Institutes for the following varieties; therefore, the Committee recommended them for notification as detailed below in Table-1:

The following points emerged, which have been recommended for compliance in future for consideration of the proposal for release and notification of Horticultural crop & variety by the committee:

1. Sponsoring Institute/organization should ensure that the proposals are submitted in proper format and must have the required documents viz., acknowledgement certificate regarding submission of seed sample with NBPGR, detailed morphological characters of varieties, AICRP data on disease and pests reaction, source of material and pedigree, package of practices of the cultivar, DNA fingerprinting profile, A-4 size coloured photographs on glossy sheet etc.
2. The committee will not consider any proposal for notification in case the copy of proposal is not submitted to respective Director/Project Coordinator.
3. The proposals need to be submitted through email (cvrc.hort-agri@gov.in). Five signed original hard copies will be submitted to Deputy Commissioner (Quality Control), Member Secretary CSC on CSN & RV DA&FW, Room No. B-116, Shastri Bhawan, New Delhi for records.
4. ICAR Institutes, SAUs and other organizations should devise a naming system of the different crop varieties with the name of Institute followed by crop name and then serial number of variety. Proposals with names of family members, gods and goddesses will not be accepted.
5. Any proposal with more than five years old data will not be considered by the committee.

The meeting ended with a vote of thanks to the Chair.
