

Minutes of the 23rd Meeting of Central Sub-Committee on Crop Standards Notification and Release of Varieties for Horticultural crops held under the Chairmanship of Dr T Janakiram, Assistant Director General (Hort.) on 7th April, 2015 at Indian Institute of Horticulture Research, Bengaluru.

The 23rd meeting of the Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops was held under the Chairmanship of Dr T Janakiram, Assistant Director General (Hort.), Indian Council of Agricultural Research on 07.04.2015 at 10.00 AM in the Committee Room, IIHR, Bengaluru as due to some unavoidable circumstances, DDG (Hort.) was in-disposable and he delegated the power to ADG (Hort.) to chair the meeting. The list of participants is annexed at Annexure-I. The Chairman, Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Horticultural Crops welcomed members and special invitees. He commended that Secretariat of the Sub-Committee had timely issued the Minutes of the 22nd meeting of the Central Sub-Committee and also uploaded the same on the website of DAC. He emphasized that proposals for release/notification of varieties should be submitted immediately after identification in the ICAR workshop within one year from the date of identification, so that the Secretariat of the Sub-Committee has reasonable time to examine the proposal. He expressed that the breeder seed of the variety must be available with the sponsoring agency and a DNA finger print along with a glossy photograph of varieties be submitted along with the proposal. The seed samples of the concerned variety also need to be submitted to NBPGR for registration and accession number. Further, he asked all the Breeders that presentation should be made in a bigger font size with greater visibility. The Deputy Commissioner (QC) and Member Secretary of the Central Sub-Committee informed that the specific actions have been taken on deferred proposals of previous meetings in consultation with the concerned breeders PC/PD and after removing various discrepancies the proposals have been included in the Agenda Note for this meeting. Further, it is stated that, the proposal should contain package of practice and detailed morphological characters and also Breeder should send the soft copy of the same to the Secretariat for compilation. Thereafter, Member Secretary of the Sub-Committee presented the Agenda items for consideration of the Sub-Committee.
