Minutes of the 76th meeting of Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops held under the Chairmanship of Dr. J.S. Sandhu, Deputy Director General (Crop Sciences), ICAR on 31st January, 2017 in Committee Room No. 112 (ICAR) Krishi Bhavan, New Delhi-110 001.

The list of participants is at Annexure-I.

Member Secretary, Central Sub-Committee on Crop Standards, Notification and Release of Varieties for Agricultural Crops welcomed the Chairman and Members including special invitees of the Sub-Committee. The Chairman and Co-Chairman also welcomed all the members of the Committee and expressed their satisfaction for conducting this meeting as per scheduled time.

As per the earlier decisions, it was again stressed upon that all the sponsoring institutions/agencies including ICAR Institutes/SAUs/Public and Private Sector organizations that as per the new guidelines already circulated the required information viz. (i) to disclose the expected performance of the candidate variety/hybrid along with package of practices (ii) good quality color photographs (iii) acknowledgment certificate from NBPGR for deposition of seed sample (iv) source of material with pedigree details; and (v) R&D certificate of private seed companies should be submitted while forwarding proposals to the Department of Agriculture, Cooperation & Farmers Welfare. The complete information will expedite the process of release and notification of proposed varieties. It was also decided that only 25 copies of the proposal be sent to the Seeds Divisions instead of 70 copies required earlier with at least five sets having color photographs & remaining copies may be black and white photographs.

It was also decided that in future Seeds Division will also require the detailed information of Release and Notification proposals in the electronic form (digital) with hard copy. In case any breeder/company/institute fails to submit the soft copy of proposal either through mail or CD, the proposal will not be considered. This has been made mandatory as all the details of characteristics of the variety recommended for release and notification are required by the Seed Certification Agencies for field certification/inspection. Digitalized information will make it easier for the Secretariat to complete the requisite information within a reasonable time. A specified proforma as per Annexure-II seeking the required information in the electronic form be submitted to the Secretariat of CSC on email: qccsc-agri@gov.in
